Dear National Federation of Brazil,

We are pleased to inform you that the new FIBA Statisticians Certification Course has been successfully completed, a mandatory requirement for serving in Official Competitions of the Internal Basketball Federation.

As a reminder, since 2017 FIBA has required that all statisticians participating in official competitions hold a valid certification. To obtain the certification, candidates must be nominated by the National Federation and complete the following process:

- a) Complete the required online training.
- b) Participate in the FIBA Statisticians Clinic.
- c) Pass the theoretical and practical exams; and
- d) Have verifiable practical experience for the role.

Following the completion of the course and corresponding evaluations, we are pleased to share the list of statisticians who have obtained or renewed their licenses, which will be valid until **November 30, 2026**:
